### About JNTUA College of Engineering (Autonomous) Ananthapuramu

JNTUA College of Engineering (Autonomous) Ananthapuramu, an esteemed engineering college in Andhra Pradesh was established in 1946 and has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of Technical education along with skill development.

### About University College of Engineering & Technology, Bikaner Technical University, Bikaner

University College of Engineering and Tehnology (UCET) Bikaner is constituent college of Bikaner Technical University (BTU). Before becoming constituent college of BTU it was known as Govt College of Engineering and Technology (GCET). It was established in 2007, as an autonomous body of Govt. of Rajasthan, amidst the brown blooms of desert island, Bikaner. Bikaner Technical University was established in 2017 and soon after that UCET became it's constituent college. It has made its mark by inspiring quality education.

### About the E-Conference

**COVID-19** has rampaged and disrupted all spheres of human life in the entire world today. The outbreak of the COVID-19 pandemic has posed many challenges to the mankind. At the same time, this crisis has left an opportunity to explore our creativity and innovative ideas to counteract its negative impact. The lockdown in the light of COVID-19 has enforced all the academic and research fraternity to resort to innovative techniques and adopt online teaching methods to continue the leaning process.

**Human Values** add meaning to life and make people to live life on right path and build a happy and healthy society. Materialistic life without human values may prone people towards

untoward tendencies, inhuman and uncivilized life.

Besides all the other devastating consequences of this pandemic, we are also witnessing various unprecedented dimensions, facets and perceptions of human relationships emerging in the realm of human values in the global scenario which may be a great threat to the normal order of human life.

We hope that this E-Conference will ignite and reinforce our spirits to coup up the turbulence arose in the sphere of Human Values due to COVID-19 and throw light on our outlook of human values on a comprehensive spectrum.

### Objectives of the E-Conference

- To develop a comprehensive awareness on human values present and post- COVID 19
- To reiterate the worth of essential human values which bear everlasting relevance.
- To promote sense of humanity which remains a torch bearer and hope during crisis situations
- To revisit current socio-cultural values and redefine them in the wake of prevalent times.
- To foster empathetic attitude towards the needy and disposed by lending humane dimension to contemporary teacher-learning process.

### Call for Papers: Papers may be presented on the following sub-themes.

**(Paper presenters need not send the full papers. Recorded audio/video clip of highlights of the paper not exceeding 3-5 minutes duration will be considered for your paper presentation]**

### Sub-themes of the E-Conference

- Background of COVID-19
- Impact of COVID on political, economic, social spheres on the globe
